Place, date of issuance: _____ Amsterdam January 17th 2015

Signature and stamp of the notary

Mentions

1. This certificate is intended to provide information about companies registered in other EU Member States. Its usability in relation to public authorities and public registers can be limited. Additional public documents will regularly be necessary to complement this passport.
2. The information contained in this certificate is based (solely) on the documents and public registers consulted by the issuing notary and listed above. The issuing notary of this certificate is not liable for the inaccuracy of the information contained in the consulted documents on which he/she based the information provided in this certificate.
3. The notary/authority/body in the destination country remains responsible for examining whether the information submitted can successfully be used for the transaction intended. The same applies to the verification of the document's validity with respect to formal and substantive law requirements of the law applicable, including the determination of the law governing the substantive and formal requirements that must be met.
4. Any information given by the notary to whom the request is submitted relates to the time when the document was established. This notary is not liable for any subsequent changes to its legal effectiveness irrespective of the reasons that may have caused the ineffectiveness.
5. Where a revocation of the power of attorney is unknown to the notary to whom the request is submitted and this is indicated, legal effectiveness cannot be inferred from that information as revocation may still have occurred. Where the requesting notary is informed of a revocation of the power of attorney, the information must not give rise
